

YOUR DAISY CHAIN

Every person can map-out their social connections using a daisy illustration.

1. Write your name in the middle.
2. Label each petal with a social group or community that you're a part of. (eg. Immediate family, extended family, footy team, work, neighbours, gym etc).
3. List people in these petals who need Jesus.

It's called a "daisy chain" because every person in your daisy will have their own relationship network (daisy).
