

a day together

Take the time to slow down and reconnect
... your relationship is worth it!

a day together

Life has a way of overwhelming marriages and relationships. You start out fully focused on each other. But as the years go by, the time you had to simply relax and talk gives way to busy schedules. Before you know it, checking your e-mail at home is more important than carving out a date night.

Power to Change's 'A Day Together' conference is a chance to get away from the distractions of daily life. Mobile phones are turned off. To-do lists are temporarily forgotten. It's a time to slow down and reconnect. Each conference is a friendly, engaging gathering that's all about making progress, not placing blame.

Our Power to Change speakers are a dynamic group of people able to laugh at themselves with presentations that people can relate to. It is our hope that you enjoy and gain insight from their unique perspectives on how God's plan for marriage helps you find 'love that lasts'.

Look forward to seeing you there...

"Best marriage conference I have ever been to."
